ONE
**of the Best Years
of Your Life**

13Fourteen
aims to provide
Christians who
have recently
left school with
an excellent,
practical
experience
that 

1 equips them in
understanding
the Bible,

2 grows them as
passionate disciples
of Jesus, ready to
serve him, and

3 exposes them to
God's mission in
the world.

13Fourteen is a one year collaborative
traineeship run by Bible College SA in
partnership with local churches.

The program includes the Certificate of
Ministry, fully accredited by the Australian
College of Theology.

The cost of 13Fourteen is generously
subsidised by Bible College SA and eligible
students can claim FEE-HELP for the
Certificate of Ministry.

Three main components of the program:

BIBLE-

deepen your understanding of
God's word as you study

MINISTRY-

get practical training as you serve
in your local church

WORLD-

be exposed to what God is doing in his
world as you go on mission together
