

SUPPORT SERVICES

While studying at Bible College SA, you may benefit from accessing support services to help get the most out of your educational experience. A range of support services are available to you through staff at the college. We can also support you by referring you to appropriate services available in the community.

1. ACCESSING SUPPORT

To access support, students can seek advice from the Dean and Co-Dean of Students, or the Academic Administrator. You can contact or arrange a meeting by phone (8291 8188) or email (admin@biblecollege.sa.edu.au). Staff members are available Monday-Friday during business hours. Other contacts for specific kinds of services are given in the sections below.

2. AVAILABLE SERVICES

The following services are available to all students studying at Bible College SA. Note that there is no additional fee for services provided by the college, or for referral to external services. Students should enquire with external service providers about any costs associated.

2.1 Personal Counselling

Counselling can help you with a range of issues, including mental health and emotional well being, loss and grief, relationship issues, and life direction.
