

BIBLE COLLEGE SA

MONDAY EVENING PROGRAM

MONDAY EVENING PROGRAM

Our Monday evening program is designed to equip you to serve in a range of ministry roles in your local church. The course covers a core of Bible and theology, as well as a choice of electives focussed on practical skills. If you are already serving in some way—or if you feel you would like to be but first need some extra knowledge and skills—this is the program for you!

We offer a range of different subjects that can be studied at either undergraduate (diploma) or graduate (graduate diploma) level or taken for audit at a discounted rate and without assessment.

For more information contact our Academic Administrator, Chris Seglenieks, at seglenieks@biblecollege.sa.edu.au or on 08 8291 8188.
